Brrr-cky B : admin

Helloooo everyone!!

Lovely to meet you all! I'm the new ~~overlord~~ admin 'round these here parts. The name is Becky. Becky B.

I actually used to be an intern at Scholastic way back when (~2014) and have very recently rejoined the fam. Some of you might remember the doodles I posted during the Worlds Collide event on the forums. There was a DJing cat. It was a party. All I can say is...it's nice to be back!

You'll be seeing some new posts and content from me over the next few months. In fact, you'll mayyybe just maybe be seeing another post from me tomorrow! So look forward to exciting new things :)

If you've got any questions about me, send em my way and I'll do my best to answer them without ANY exaggeration whatsover, I swear.

-Becky

Hey, Becky! Nice to meet you! It will be wonderful to have another ~~overlord~~ mod/admin/person here on the WoFMB! We do have quite a few, but Mod Sarah E is definitely the most active. But I think you might give her a run for her money.
Just warning you though, occasionally we can get a little mad at you guys for not helping during troll/hacker problems. But since those things don't happen often, I woulnd't worry!
But anyways, welcome to the Wings of Fire Message Board! We hope you enjoy your stay!

why are uppercase and lowercase letters a thing? why don't we just write in all caps or all lc.? it's basically just western languages that do this? is this another relic of our eurocentric mentality and world? if so, i reject this way of life
